4', 6' and 8'	5-1/4" (134mm)	4-1/4" (105mm)	4-3/8" (111mm)

## DESCRIPTION

The STN Series is a functional and multi-purpose heavy duty strip family that incorporates premium performance and construction durability. The performance and application versatility of this series can be increased by incorporating symmetrical or asymmetrical reflectors. The STN Series can be installed using various mounting methods and numerous options and accessories are available. The STN Series can be the illumination solution in commercial, industrial, institutional and retail applications. An excellent choice for storage/utility areas, coves, display cases, shops, task and general area lighting.
